

Waldkorn[®] with cream cheese

🔗 [Rocket](#), [Cream cheese](#), [Radish](#), [Cucumber](#), [Dill](#).

Working method

Take a thick slice of Waldkorn[®] and spread generously with cream cheese. Pass the piece of cucumber through a spiralizer to make 'cucumber spaghetti'. Slice the radishes thinly. Arrange the cucumber and radishes on the sandwich with a few rucola leaves. Season to taste with salt and pepper. Finish with dill leaves, finely chopped chives and the second slice of Waldkorn[®].
